## NOTES

### GENERAL

1. The above Product Groups and Product Categories have been developed for the full range of the CAD Regulated Products.
2. The regulatory status of the product is determined by the applicable mandatory Moroccan standard and the tariff codes/HS codes referred against the Product Groups/Categories. In those cases where the Applicant has doubts, they can consult with Intertek Office to determine the regulatory status of the product.
3. Regulated products under the VoC programme are different from those regulated products within the CAD programme and therefore not permitted to be certified under the CAD programme.
4. Revisions to the Product Categories have been indicated by dotted double headed arrows on the left-hand side margin.
5. Newly Regulated HS Codes are indicated in red text
